Stress out, begin with much joy and healthy coexistence in one of the most beautiful postcards from Cancun!

## Free event for delegates, athletes, judges and coaches.

Date: June 12, 2018

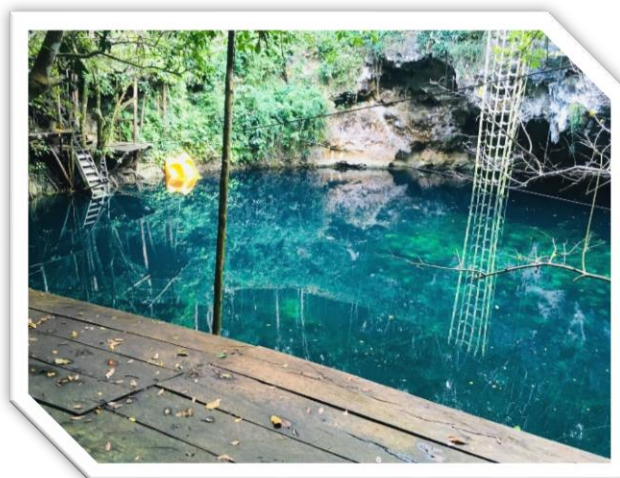

## Thematic event and Coexistence Tour

### Save the planet!

In one of the most beautiful natural scenery in the Maya region of Cancun, the participating athletes sent a message of peace and harmony to our mother earth.

Cenotes are natural pools which have some of the most crystal-clear sweet water of the planet, surrounded by extensive greenery and a climate of about 28 Celsius degrees, this presentation will be the first international Synchronized Swimming show in such an extraordinary natural setting.

Athletes, spectators, companions, family members and general public can enjoy this extraordinary experience that incorporate the adventure, nature and the synchronized swimming on a single expression of love and respect for our planet.

### Categories

- Solo (all ages) quota limited 15
- Duets (all ages) quota limited 15
