Verification of documents and swimsuit:

During the registration, the documents of each one of the competitors will be verified to corroborate their age with which they have previously been registered. It is necessary to present a copy of the birth certificate and / or passport.

Music

The mp3 format will be used for the music of the routines. Delegates from each participating club will be responsible for sending their music in MP3 format, noting category, event, club, and surname (s) of the participant (team # in case of teams). The music must be previously sent via email to musica@sincro.mx with a deadline of April 13, 2019.

Examples:

Senior. Solo Libre. Mexico. Diosdado

13 – 15. Duet Free. Sirens. Morales Palacios

Junior. Technical Team. Canada X1

IMPORTANT: NO MUSIC WILL BE RECEIVED AFTER APRIL 13

The coaches should review each digital file in terms of quality, timed time and track integrity. It is suggested between 2 and 3 seconds of time between the "play" of the track and the beginning of the music for each competition.

Clinic of judges and coaches

The agenda, speakers and costs of the Clinic will be published in the Information Annex that will be published in January 2019

CLOSING GALA

One of the emblematic places of Cancun, the famous Hard Rock Café, dresses up in Gala to receive the participants of the 5th. Cancun Open 2019. In this event you will meet and reward the best of the international event.

Free access for athletes, judges, coaches, team leaders, parents and friends of the delegation.

The athletes will be received with a delicious cocktail (without alcohol) in the style of the house.

WEATHER

The Mexican Caribbean is a paradise of warm and humid weather (30-35 degrees Celsius in May) so the use of sunscreen is recommended. It is possible that during the rainy season, participants are advised to prevent this possibility.

THEMATIC EVENT COEXISTENCE TOUR

¡Take care of the Water!

In one of the most beautiful natural scenarios of the Mayan region of Cancun, the participating athletes will send a message of peace and harmony to our mother earth through routines specially designed for this occasion.

The cenotes are natural pools that possess some of the most crystalline fresh water on the planet, surrounded by extensive vegetation and with a climate of around 28 degrees Celsius, a magical experience, full of spectacular beauty.

Athletes, fiends, spectators, family members and the general public will be able to enjoy this extraordinary experience that unites adventure, nature and artistic swimming in a single expression of love and respect for our planet.
